

COOLIUS TRAILER

100 km/h approval

The trailer for the mobile complete air conditioning service powered by WABCO WÜRTH and Würth Fahrzeugeinrichtungen.

Perfectly prepared for air conditioning service, especially on construction, agricultural and forestry machinery.

Convincing advantages

- Mobile and ergonomic A/C service
- Simply attach and get started
- Everything from a single source: trailer, A/C service unit, consumables/accessories, tools, maintenance and repairs of A/C service unit
- Put together your own individual A/C service trailer - only what you need!
- Equipment optional for R134a or R1234yf A/C-systems
- Training support and initial briefing
- Driving licence class B sufficient

Wide range of configurations

- Drawer and system case module
- Storage box shelf
- Hose holder
- 12 V/DC USB socket and 230 V power circuit
- Self-sufficient LED interior lighting
- Anti-slip base plate

Everything on board
e.g. shelf system, ORSY case, COOLIUS A/C service unit

Other trailer lengths/heights or individual fittings are available on request.
